Hi Kevin,

Thank you for your submission. I spoke with Selvin of the NYSDEC and he has not received your completed permit application. You are required by the Order to submit the application to him and that is what the overdue notice is for. The letter you've sent below doesn't address this? Please submit the application as soon as possible and let me know when you do.

Kim

Ms. McEathron, I hope you are well. Attached is a response to your inquiry on 27March. Your inquiry was sent by email so this reply is by email. The letter and attachments will be sent to you via official mail as well. As soon as I can find a source I will have the plan drawings done over more professionally.

Regards,
